Ms. Thomas,

I wanted to take a few moments to thank you for bringing 1<sup>st</sup> Responder Conferences to Ohio for our First Responder community. I have been told that the conference was professional, well organized, and very beneficial to Ohio First Responders.

We look forward to 1<sup>st</sup> Responder Conferences returning to Ohio in the future. If there is anything we can do to support your mission, please let us know.

Thank you again for this wonderful program.

Sincerely,
